PRESSURE SEAL

Short Run Imprint

Pressure Seal Short Run Custom Pressure Seal applications can be produced in short run quantities of 2,000-30,000 in full carton increments of 2000. Using our base stock Pressure Seal checks, multipurpose forms and blank forms listed in this brochure, you can add many features to create a custom form. These are available as 11 inch Z-fold, EZ-fold, C-fold, V-fold and 14 inch Z-fold and EZ-fold (eccentric Z) configurations with the most secure cohesive and highest grades of Pressure Seal stock paper available.
